- *Get more direction in your life*
- *Start sourcing from your future instead of your past*
- *Learn how to use divination to empower you and gain insights from your subconscious.*
- *Begin to unravel the blocks standing in the way of your success.*
- *Delve into the silent language of animals and nature.*

Plus, Billie gives her popular talk, Secret Animal Transmissions: Ten Key Insights from the Animal and Faerie kingdoms, to help us in these changing times.

"This Sacred Earth: The 2012 Phenomenon is a must-see film for anyone who needs a good dollop of hope about the planet, 2012 or themselves. There's a lot of soul food and wisdom here to launch us into a new era of peace.

This film won a standing ovation at the Perth 2009 Conscious Living 2012 New Earth Festival because it is a heart- and hope-filled delight and changes people from the first frames."
