Discover how to be the new human of prophecy in this very special one day event, working with the practical wisdom of the film's 17 teachers, speakers, visionaries and authors. The

workshop will include:

- What 2012 is, and how can we embrace it right now.
- Letting go of karma and adopting forgiveness.
- Stepping into who you are becoming.
- Connecting with nature.
- Destiny work to help people become free.
- Listening to the silent world of animals and nature.

Plus, Billie Dean shares the Top Ten Insights from the Animal and Faerie kingdoms, to help people in these changing times.

*Join the revolution of the evolution of the new human!
Move out of fear and into love, to embrace 2012.*

"This Sacred Earth: The 2012 Phenomenon is a must-see film for anyone who needs a good dollop of hope about the planet, 2012 or themselves. There's a lot of soul food and wisdom here to launch us into a new era of peace.

This film won a standing ovation at the Perth 2009 Conscious Living 2012 New Earth Festival because it is a heart- and hope-filled delight and changes people from the first frames."
